Footnotes

- These data are for information only.
- Figure provided as a note refers to data from second programme for schools with more than one programme ranked.
- The figure programme was ranked number one in the Masters in Management 2009 rankings, but it has not been included in the European Business Schools 2009 ranking as it is a programme and not a school.
- School participated in this ranking on the basis of a joint programme only. Underlying score based on proportion of total score.
- School participated with more than one programme in this ranking. Underlying score based on combined scores.
- (175,477)
- (84)
- (126,025)
- (67)
- School was not included in the published 2009 ranking for this survey
- School was not included in the published 2009 ranking for this survey.
